We look forward to welcoming you to Glasgow, Scotland's largest city. Glasgow is a vibrant cultural and sporting hub known for its rich history, friendly locals, and passionate football culture. The city can be reached via 3 main airports, including Glasgow International Airport (GLA), Glasgow Prestwick (PIK), and Edinburgh Airport (EDI). Glasgow offers a wealth of attractions, such as the Glasgow Cathedral, Kelvingrove Art Gallery and Museum, Buchanan Street for shopping, the Riverside Museum, and the Glasgow Science Centre.

Visiting supporters are also welcome to visit the Rangers Museum, located in Edmiston House, adjacent to Ibrox Stadium. Further information on the museum can be found [here](#).

Please note, drinking alcohol in public in Glasgow is prohibited and may result in a £60 fine. It is also illegal to smoke in enclosed public spaces in Scotland.
